

CREATE A PINWHEEL *for* PREVENTION!

II Pause for a child. **Take time with a child you know to make a pinwheel!**

DIRECTIONS: Cut out the pinwheel square above, then decorate BOTH sides of the paper. Cut on the dotted lines, making sure to leave about 2" of center uncut. Gently bend (don't fold!) one of the cut corners to the center point. Skip the next cut corner and bend the next one. Continue alternating until 4 corners meet in the center. Fasten by sticking a thumbtack into a pencil eraser.

Then get outside together and try it out!
