

Take Responsibility!

African American volunteers are needed to become Court Appointed Special Advocates (CASAs).

Speak Out!

You'll be uniquely empowered to stand up and advocate for an abused or neglected child in court. You know the language, the culture, and you will understand this child better than others involved.

Stand Up For Our Children!

With your help, an African American child will be placed in a permanent, safe, and loving home. It is time to get involved and advocate.

"By speaking out for an abused or neglected child, I'm changing the future - one child at a time."
