About Westfields Golf Course...

Elevation changes, narrowing landing areas and multiple tee boxes on every hole make up the challenging Westfields Golf Club located in Fairfax County. To create the Westfields experience, Fred Couples teamed up with Gene Bates to design an 18-hole championship golf course that delivers constant entertainment to everyone who steps to the tee.

Westfields Golf Club is a "golf only" development, built on a select piece of spectacular natural terrain. Its 18 holes of golf will challenge golfers to use their mind and every club in their bag. There are no distractions at Westfields, just challenging golf in a secluded atmosphere.

Westfields Golf Club is a spikeless facility. Proper attire is required.
